To Whom It May Concern,

I am writing to strongly endorse Zvi Koenigsberg as a speaker at your institution. He has spoken and also taught very effectively at Congregation Kehillath Israel in the past. I am aware that he has also taught quite successfully at other local Synagogues and Jewish Communal institutions. His topic is not only provocative and engaging, but also of great historical significance. I would be happy to speak with you further about Zvi's suitability as a speaker at your institution; I recommend him most highly.

Regards,

Rabbi William Hamilton
